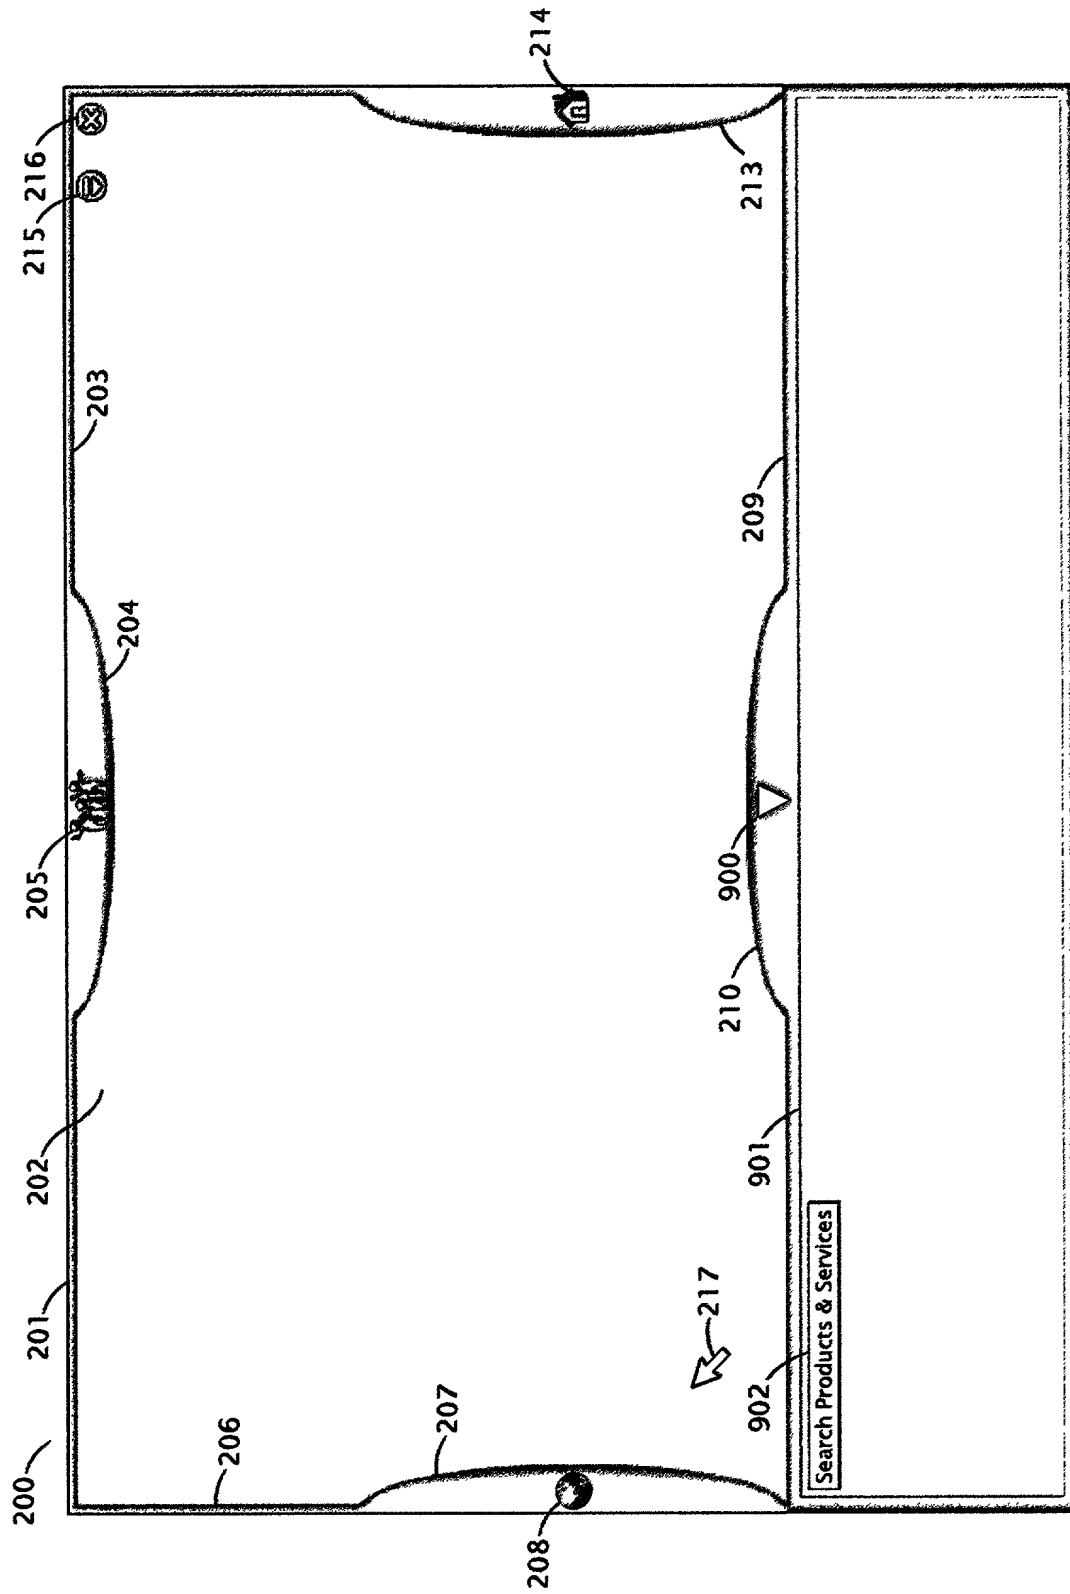

FIG. 9

FIG. 10 is a schematic diagram of a user interface for a vehicle-related application. The interface is displayed on a screen 200 and includes a top navigation bar 201, a main content area 202, and a bottom navigation bar 203. The top navigation bar 201 contains a search icon 204, a home icon 205, and a settings icon 206. The main content area 202 displays a list of products and services 1003, including Airline Tickets 1005, Automobiles 1006, Used Car Finder 1007, New Car Dealers 1008, Ford Motor Company 1009A, GM BuyPower 1009B, Banking Services 1009C, and Bicycles 1010. The bottom navigation bar 203 contains a home icon 207, a search icon 208, and a settings icon 209. A large rectangular area 210 is located below the main content area 202, and a small rectangular area 211 is located below the bottom navigation bar 203. A large rectangular area 212 is located to the right of the main content area 202, and a small rectangular area 213 is located to the right of the bottom navigation bar 203. A large rectangular area 214 is located to the right of the main content area 202, and a small rectangular area 215 is located to the right of the bottom navigation bar 203. A large rectangular area 216 is located to the right of the main content area 202, and a small rectangular area 217 is located to the right of the bottom navigation bar 203.
